Workshops

Wednesday 29 October

POST GRADUATE COURSE

Session N.00314

03. Innovative and effective training for community workers

Wednesday, 29 October 2014, 09:00 - 17:00, Room 129

Coordinator(s) **Ineke Huitema (Netherlands)**

Chair(s) Abubakar Dalhat (Nigeria), Zahedul Islam (Ukraine)

Presentations:

1. Introduction to capacity building of community workers
Ineke Huitema (Netherlands)
2. Steps to develop a competency based training curriculum for community workers
Abubakar Dalhat (Nigeria)
3. Defining community workers' competencies and learning needs
Zahedul Islam (Ukraine)
4. Developing an appropriate training approach for community workers
Ineke Huitema (Netherlands)
5. Selecting and practicing participatory and interactive training methods
Abubakar Dalhat (Nigeria), Ineke Huitema (Netherlands)
6. Develop a mentoring plan to follow up training
Zahedul Islam (Ukraine), Abubakar Dalhat (Nigeria)

Session N.00442

05. Communicating effectively: in person and on paper

Wednesday, 29 October 2014, 09:00 - 17:00, Room 131

Coordinator(s) Hedvig Amdal (Norway), **Tristan Bayly (Netherlands)**

Chair(s) Mona Drage (Norway)

Presentations:

1. The effect of implementing health communication in TB control in Temeke municipal , Dar Es Salaam, Tanzania
Joyce Mgothamwende (Tanzania, United Rep.)
2. I have no difficult patients anymore – Experiences from Russia
Anna Kondakova (Russian Federation)
3. The "5 minute communication model"
Hedvig Amdal (Norway)
4. Why health communication and patient involvement in TB control – what is the evidence?
Mona Drage (Norway)
5. Telling Stories - Identifying and building success stories
Tristan Bayly (Netherlands)
6. Quality Writing
Fran Du Melle (USA)
7. Presenting Data – Better tables and visuals and presentations
Ersin Topcuoglu

WORKSHOPS

Session N.00288

05. Civil Society, tuberculosis and the Global Fund processes

Wednesday, 29 October 2014, 13:30 - 17:00, Room 115

Coordinator(s) Nonna Turusbekova (Kyrgyz Republic), Alberto Colorado (Mexico)

Chair(s) Blessina Kumar (India), Lucica Ditiu (Switzerland)

Presentations:

7. Domestic financing: civil society's role in leveraging financing to health in country dialogues

Beatrijs Stikker-Muller (Netherlands)

Session N.00364

07. Patient-centred planning, funding and implementation

Wednesday, 29 October 2014, 13:30 - 17:00, Room 120/121

Coordinator(s) Virginia Williams (Switzerland), **Netty Kamp (Netherlands)**

Chair(s) Elena Mcewan (USA), Ernesto Jaramillo (Switzerland)

Session N.00222

11. Tuberculosis programme reviews and technical assistance

Wednesday, 29 October 2014, 09:00 - 17:00, Room 122/123

Coordinator(s) Anne Detjen (USA), **Kitty Van Weezenbeek (Netherlands)**

Chair(s) Hans L. Rieder (Switzerland), Malgorzata Grzemska (Switzerland)

Presentations:

2. Preparation, execution and follow-up of a programme review

Kitty Van Weezenbeek (Netherlands), Malgorzata Grzemska (Switzerland)

Thursday 30 October

SYMPOSIA

Title of Symposium	Section	Coordinator(s)	Presenter
Thursday, 30 October 2014 – 08:00 – 10:00			
02. Preparing frontline health workers for community-led change (http://theunion.org/programme/symposium-02.pdf)	TB/ Nurses and Allied Professionals	Netty Kamp (NL)	
05. Next generation of eHealth for TB: systems that communicate (http://theunion.org/programme/symposium-05.pdf)	Tuberculosis	Job van Rest (NL), Dennis Falzon (Switzerland)	Chair: Nico Kalisvaart
06. Empirical treatment for TB among HIV-positive people: who, when, how? Update on trials in progress Presentation 08:40 - 08:55: Prevention of early mortality by presumptive tuberculosis treatment: the PROMPT trial			Frank Cobelens
Thursday, 30 October 2014 – 14:30 – 16:30			
15. Systematic screening for active TB: from guideline to implementation Presentation 15:10 - 15:25: Rwanda case study			Eveline Klinkenberg
16. Community as partner: creating successful collaborations in TB control (http://theunion.org/programme/symposium-16.pdf) Presentation D’Arcy: Lost in translation; the challenges of creating a shared vision for TB control	Civil Society	D’Arcy Richardson (USA) Hara Mihalea, (Thailand)	D’Arcy Richardson

POSTER DISCUSSIONS

04. Xpert MTB/RIF: diagnosis of pulmonary and extrapulmonary TB Thursday, 30 October 2014, 10:15-11:15

PD-540-30 The role of loop-mediated isothermal amplification (TB-LAMP) and Xpert MTB/RIF for the diagnosis of pleural tuberculosis

Mulu Getahun, Y Fisiha, A Kebede, T Gebeyehu, Z Dagne, A Abebe, S Mitarai, E Lemma (*Ethiopia, Japan*)

08. Opening the door to community engagement in TB Thursday, 30 October 2014, 10:15-11:15

PD-586-30 Community involvement in raising awareness about TB among Somalian population

M Karels, N Jansen-Aaldring (*Netherlands*)

11. Retrospective TB data analysis: case identification, treatment and control Thursday, 30 October 2014, 10:15-11:15

PD-616-30 Tuberculosis control in security challenged States of north-east Nigeria. Are there significant impact?

M Gidado, Josh Obasanya, J Onazi, R Eneogu, N Chukwueme, T Odusote, J Kuye, Sani Useni (*Nigeria*)

PD-621-30 Data quality assessment of routine tuberculosis data in Kenya where are we?

H K Kipruto, E Klinkenberg, J Kioko, A Ronoh, F Ngari, B Langat, j Nabongo, M Mwakala (*Kenya, Ethiopia*)

Friday 31 October

Title of Symposium	Section	Coordinator(s)	Presenter
Friday, 31 October 2014 – 08:00 – 10:00			
22. Countries' experience in decentralizing PMDT: community-based MDR-/XDR-TB care (http://theunion.org/programme/symposium-22.pdf)	Tuberculosis	Agnes Gebhard (NL), Alexander Golubkov (USA)	
27. What practical steps are needed to achieve a patient-centered continuum of care in TB control	Co-chairs: Netty Kamp+ Gidado	Virginia Williams (Switzerland), Sara Massaut (Netherlands)	Sara Massaut, Jhon Sugiharto
Friday, 31 October 2014 – 14:30 – 16:30			
30. TB in Europe: MDR-/XDR-TB control and challenges of high risk groups Presentation 15:30 to 15:45: The Rotterdam case study: Challenges after controlling an outbreak in an urban setting	Tuberculosis		Gerard de Vries (NL)

SATELLITE SYMPOSIUM

Friday, 31 October 2014 - 17:00 - 18:30

08. The Sustainable OR capacity building initiative in Ethiopia, CORE and MORE for TB

Tuberculosis

USAID TB CARE I/ KNCV
Tuberculosis Eveline
Klinkenberg

E-POSTER SESSION

02. Multi-disciplinary approach to TB control

Friday, 31 October 2014, 10:15-11:15

EP-120-31 A user-friendly model to evaluate cost-effectiveness of shortened first-line treatment regimens for TB

A Zwerling, J Pennington, G Knight, R White, G Gomez, A Vassall, **F Cobelens**, D Dowdy (USA, UK, Netherlands)

EP-121-31 Cost-effectiveness of community-based TB care in Namibia

K Vaughan, T N. Shilongo, V Remi, D Witbooi, M Samahiya, F Mavhunga, **A Zezai**, R Indongo (Netherlands, Namibia)

POSTER DISCUSSIONS

26. Xpert MTB/RIF: implementation and performance

Friday, 31 October 2014, 10:15-11:15

PD-794-31 Effectiveness of introducing Xpert MTB/RIF for individuals at risk of TB and MDR-TB in Kazakhstan

S Van Kampen, A Tursynbayeva, A Koptleuova, L Murzabekova, L Bigalieva, M Aubakirova, **S Van Den Hof**, **S Pak** (*Kazakhstan, Netherlands*)

27. External quality assurance for TB: getting better all the time!

Friday, 31 October 2014, 10:15-11:15

PD-812-31 The use of archived results of Xpert MTB/RIF testing for data triangulation in improving data quality from four GeneXpert sites in Nigeria

E Oyama, A Awe, J O Obasanya, A F Omoniyi, E Elom, **M Gidado**, **J Onazi** (*Nigeria*)

29. AFB smear microscopy

Friday, 31 October 2014, 10:15-11:15

PD-836-31 A cross-sectional study of factors associated with tuberculosis diagnostic delay for smear microscopy in Namibia

I Mwaningange, E Shipiki, F Mavhunga, B Bayer, H Zaire, **E H Mitchell**, **A Zezai** (*Namibia, Netherlands*)

33. Tuberculosis and diabetes: look out for both

Friday, 31 October 2014, 10:15-11:15

PD-877-31 Prevalence of diabetes among TB patients attending DOTS clinics in South-South Nigeria: the need for comprehensive TB patient care

V Obot, V Adams, **M Gidado**, A Ekpeudom (*Nigeria*)

35. Social determinants and quality of TB care

Friday, 31 October 2014, 10:15-11:15

PD-896-31 Lessons learned from TB patients evaluation of programme performance in Kazakhstan

I Leimane, B Temerbekova, G Raimova, G Kaliakbarova, A Tursynbaeva, **S Van Den Hof** (*Netherlands, Kazakhstan*)

36. Comorbidity and deadly TB

Friday, 31 October 2014, 10:15-11:15

PD-913-31 Performance of clinicians in identifying tuberculosis as cause of death using verbal autopsy questionnaires in Siaya County, Kenya

S Murithi, H Kipruto, E Amukoye, Y Kombe, E Mitchell, C Muturi, B Langat (*Kenya, Netherlands*)

37. TB active case finding

Friday, 31 October 2014, 10:15-11:15

PD-917-31 Increasing access to slum populations in Abuja, Nigeria

S T Abdurrahman, O Oladimeji, L Lawson, J O Obasanya, S Adeshina, R Dacombe, L Cuevas (*Nigeria, UK*)

40. MDR-TB management

Friday, 31 October 2014, 10:15-11:15

PD-961-31 Drivers and trajectories of resistance to new first-line drug regimens for tuberculosis

S Shrestha, G Knight, M Fofana, T Cohen, R White, **F Cobelens**, D Dowdy (*USA, UK, Netherlands*)

42. A potpourri of TB issues

Friday, 31 October 2014, 10:15-11:15

PD-982-31 Feedback of TB test results using Skype® SMS messages for rapid treatment decisions in Abuja, Nigeria

S T Abdurrahman, O Oladimeji, L Lawson, J O Obasanya, G Ezugwu, B Opoola, R Dacombe, L Cuevas (*Nigeria, UK*)

ORAL ABSTRACT PRESENTATION

11. Drug monitoring and adverse events Friday, 31 October 2014, 12:45-14:15

OAP-281- 31 Comparative characterisation of mycobacteria isolates using conventional and molecular methods

12:55-13:05

P Nwadike, A.O. Koker, C C Onubogu, Phd, N. Nwokoye, N Onyejepu, M Gidado, O Idigbe (*Nigeria*)

WHO sponsored Workshop on country case-studies on the use of the WHO 2013 revised definitions and reporting framework for TB and Electronic Recording and Reporting systems-Friday 31 October 2014, 09:00 Hotel Diagonal Zero, Sala Sud America, Barcelona

1. 09:30-09:45 Introducing the new TB Case Definitions and Reporting : Mozambique experience Revising the TB Surveillance System Ivandra Chirime & **Ellen M.H. Mitchell**
2. 10:00-10:15 Introducing the new TB Case Definitions and Reporting : Zimbabwe experience of Revising the TB Surveillance System Nicholas Siziba, Mayenziwe Sibanda, Nqobile Mlilo, **Ellen M.H. Mitchell**, Patrick Hazangwe

Saturday 1 November

Title of Symposium	Section	Coordinator(s)	Presenter
Saturday, 1 November 2014 – 09:15 – 11:15			
43. Magic bullet? Data-driven insights on the impact of community workers on case detection and treatment outcomes (http://theunion.org/programme/symposium-43.pdf)	TB/ Nurses and Allied Professionals	Ellen H Mitchell (NL)	Ellen Mitchell
<ol style="list-style-type: none"> 09:45 - 10:05 Time trend analysis of the impact of CB DOTS on case detection in Mozambique 2009-2013. 10:10 - 10:30 Comparison of the effectiveness of Global Fund, TB REACH and TBCARE community volunteer models for boosting case detection in Nigeria. Adejumo, A.O¹,. Azuogu, B²,. Okorie, O³,. Lawal, O.M⁴,. Onazi, OJ⁵,. Gidado, M⁵,. Daniel, O.J⁶,. Klinkenberg, E. ^{7,8},. Okeibunor, J.C⁹. Mitchell, E.M.H^{7,8} 10:35 - 10:50 Methodological challenges in measuring the impact of community volunteers and extension workers on case detection. Ellen M.H.Mitchell 10:55 - 11:15 3. Results of an RCT to boost the effectiveness of CDOTS watchers referral and case detection in Cambodia. Chanry Im. Jamie Tonsing. Chanthol Eang, Math Srales. Saint Saly. Ellen M.H. Mitchell. Bun Kompheak Jeudi. Chum Sopha. Mao Tan Eang. 			
Saturday, 01 November 2014, 14:00 - 16:00			
51. COPD: diagnostic and therapeutic challenges in developing countries	Adult and Child Lung Health	Netty Kamp	
53. Non-communicable diseases and tobacco control		Netty Kamp	

Plenary Sessions

Saturday, 1 November 2014

Time: **11:30 - 12:30** Room: **Auditorium**

"Panel discussion: Community driven solutions: present perspectives and future vision"

Speakers: Patrick Nsimba Mata, TB advocate, Deputy National Secretary and Project Coordinator for Club des Amis Damien, Democratic Republic of Congo; Edith Garba, lawyer and MDR-TB survivor, Nigeria; Mesake Navugona, rugby league player at 2000 World Cup and former TB patient, Fiji; Oleksandr Kulchenko, Treatment Programmes Support Unit, All-Ukrainian Network of People Living with HIV, Ukraine

Moderators: Hara Mihalea (Cambodia), D'Arcy Richardson (USA)

POSTER DISCUSSIONS

50. Treatment, management and diagnosis: a potpourri of TB and HIV issues

Saturday, 01 November 2014, 12:45-13:45

PD-1078- Timing is everything: the value of ART, CPT AND HIV testing date variables in 01 TB surveillance systems

E Mitchell, S Gacheri, J K Sitienei, B Langat, H K Kipruto (*Netherlands, Kenya*)

51. The gamut of training: from patients to professionals

Saturday, 01 November 2014, 12:45-13:45

PD-1080- Capacity building on PMDT for eastern Africa countries: center of excellence 01 (CoE) on PMDT in Rwanda 2010-2013

F Birungi, Y Habimana-mucyo, V Ombeka, I Leimane (*Rwanda, Netherlands*)

53. Case finding/LTBI: adults and children

Saturday, 01 November 2014, 12:45-13:45

PD-1101- Evaluation of routine contact investigation in Ethiopia: a missed opportunity in 01 preventing childhood TB

D Assefa Lemma, G Yosef, E Klinkenberg (*Ethiopia*)

60. MDR-TB: special locations

Saturday, 01 November 2014, 12:45-13:45

PD-1185- Multidrug-resistant tuberculosis (MDR-TB) among refugees and local population 01 in North Eastern Kenya

A Nur Farah, V Otieno (*Kenya*)

66. TB in prisons

Saturday, 01 November 2014, 12:45-13:45

PD-1253- Active case finding of pulmonary tuberculosis among prison inmates in Aba 01 Federal prison in Abia State

O Okorie, M Gidado, E Ekundayo (*Nigeria*)

PD-1262- TB case finding in Nigerian prisons: using health system strengthening 01 approach

M Gidado, J Onazi, Josh Obasanya, R Eneogu, T Odusote, F. E Odiah, E Udom, O Omosebi (*Nigeria*)

03. TB in children: MDR and training= E-Poster- Saturday, 01 November 2014, 12:45-13:45

EP - 134 - 01 Assessment of training to improve quality and quantity of TB screening and referral behavior of Qu ' ranic school teachers for residential school pupils

N Shuaib, H Tijjani, B Musa, T. Bot, E H Mitchell, M Gidado, A Habib (*Nigeria, Netherlands*)
