Whose Capacity needs Building?

- **Efforts to build the capacity of CSOs to work in TB are common**
- **But what about the capacity of NTP staff and TB healthcare workers to make use of, and effectively work with, CSOs?**

Understanding of civil society is often limited; yet no training is offered

Possible content of a Civil Society Workshop for NTP and TB Healthcare Staff

- **Civil Society – What is it? What varieties are met in TB?**
- **Civil Society – What can it best do in TB?**
Awareness, Detection, Patient Support, Advocacy.
- **Civil Society – What to expect working with CSOs?**
- **Links with local CSOs in country of the workshop**
- **Social Contracting and financial support for CSOs**
