Guidelines for submitting abstracts for the TSRU meeting

1. **Use single space text, 12 point Times New Roman font.**
2. First mention title, authors and affiliations, and underline the presenting author.
3. Give full address including email of the presenting author.
4. Please structure the text in background, methods, results and conclusions (unless it is a protocol).
5. Abbreviations should be defined at first use.
6. There is no maximum number of tables or figures.
7. Abstracts in English.
8. No requirements for full papers, but supportive material can also be uploaded (or sent by email); with a maximum of 4000 words.

If you would like **to present** at the TSRU meeting, but prefer not to submit an abstract, please discuss with the organizers in advance.

Please email your abstract(s) at the latest by **20 January 2017**.
